

## Archway Classical Academy-Scottsdale Uniform Policy

The uniform is the basis of the dress code that reflects the nobility and seriousness of our mission. Our students should dress their best, look their best, and do their best. All clothing must be clean, neat, reasonably pressed, and in proper fitting condition. Our desire is not to squash students' individuality, but to secure their commitment to scholarship and character development as well as goals that can potentially be obscured by a focus on the latest trends or fads. We ask not only for the student's commitment to this concept, but for the parent's as well. The uniform and dress code of Archway Classical Academy Scottsdale support and reinforce our academic goals. The uniform assists us in staying focused on the true individuality offered by healthy dialogue and the development of the life of the mind for each student.

**Students must stay in uniform whenever they are on campus (including the parking lot) during the school day.** This means arriving on campus *fully* in uniform and leaving campus *fully* in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with permission from a faculty member to participate in an approved curricular or extracurricular activity that requires an immediate dress change.

**Purchasing Note:** Some components of the uniform will need to be purchased from an approved uniform vendor, other items may be purchased from any vendor as long as the uniform piece matches that from the approved uniform vendor. Please see the note under each item.
