## Unscheduled Fire Drill

Dear Archway Scottsdale Community,

I write to inform you that the Archway Scottsdale fire alarm was activated today during a routine maintenance procedure. Students and staff followed all established procedures for evacuating the building in a quick, smooth, and orderly manner. The purpose of this communication is to confirm that all students are safe and accounted for, that our building is secure, and that our safety protocols are effective. I am sending this information to you now so that you can use it as you communicate with your students about safety procedures this afternoon. Thank you for your partnership in keeping our students safe.

Sincerely,

A handwritten signature in blue ink that reads 'Anthony Scubba'. The signature is fluid and cursive.

Anthony Scubba, Ph.D.  
Headmaster, Archway Classical Academy, Scottsdale
