## Class Placements and Class Lists

Every summer, our highest priority in creating classes for a new school year is to create well-balanced class groupings. It is best for our students if we design classes around balanced groups of students and not around specific teachers. To create balanced groups, we use a system called Class Creator which helps us track present and historical data regarding student behavior, academics, and peer relationships. Of course, we learn new information every year and future data cannot be predicted. Therefore, no grouping is perfect! However, we can assure you that a lot of time and effort is put into creating balanced class groupings to the best of our knowledge with the present and historical data we have currently. Once balanced groupings are created, we then assign those groupings to the teachers we have in place right before the start of the school year.

Over the last two years, this method has helped us immensely in times of transition. It has also proven to be the most supportive for new teachers and veteran teachers. Well-balanced classes afford our new teachers the opportunity to experience all aspects of teaching a little bit at a time and provide our veteran teachers the bandwidth to support their new teammates without any one of our teachers being too overwhelmed. Healthy, happy teachers will be the best for our students! Student learning is our top priority!

With this information in mind, we do not take requests for specific teachers. Parent input regarding general student needs can be shared with administration (Assistant Headmaster, [egonzalez@archwayscottsdale.org](mailto:egonzalez@archwayscottsdale.org)) or the current homeroom teacher before the end of May and will be taken into consideration during summer planning.

We have outlined the volunteer policies and expectations in the **family handbook**.

## Important Traffic Reminders

### Loop 101 Construction Project

The Arizona Department of Transportation is widening Loop 101 (Pima Freeway) between Princess Dr/Pima Rd and Shea Blvd. Construction began this month and will take approximately two years to complete. This work will require lane restrictions and full on- and off-ramp closures on Loop 101, **potentially affecting your access to our school**. If you anticipate that this project may impact your commute to and from campus, we encourage you to plan accordingly. Stay updated on project details and changes by visiting the project website and consider subscribing to receive regular updates. Your cooperation in preparing for potential disruptions will contribute to the smooth and timely flow of school drop-off and pick-up. Thank you in advance for your proactive approach and understanding!

[CLICK HERE](#) to visit the Loop 101 Project Website

- 
- If you are visiting the front office for any reason, such as an early morning drop-off for tutoring or bringing snacks/drinks for teachers, please ensure that you **park in designated parking spots rather than at the curb or blocking other spaces in our parking lot**. The red curb is designated as a fire lane, and parking there is strictly prohibited.
  - **Parking in a handicap spot without a designated handicap license plate or placard is not allowed at any time**. These spots must remain open for those who require them.
  - For half-day kindergarten pick-up, we kindly request that you **do not arrive before 11:45 am**. Early arrivals contribute to congestion in our parking lot, creating inconvenience for others entering or leaving our campus.

## ACS School Policies

### Reporting absences

Please communicate **all absences** to:

- The front office (email: [office@archwayscottsdale.org](mailto:office@archwayscottsdale.org))
- Your lead homeroom **teacher and assistant teacher**

Thank you for your help with keeping everyone informed!

You may have noticed our interior office doors have been closed during morning drop off. This is the beginning phase of a long-awaited safety plan to ensure our campus is as secure as possible. Once fully implemented, these doors will be opened only by faculty members to limit unwanted visitors access to the school.

### Please be prompt when picking up your students at dismissal time!

- We can no longer allow front office pick up at dismissal time. **All students must be picked up through the regular car line.**
- Parents are granted a 30-minute window after their student's regular dismissal time to pick them up from school. In the event that you arrive more than 30 minutes after dismissal, **a late fee of \$1 per minute will be charged.**
- For after school clubs: Parents are granted a 10-minute window after their student's club dismissal time to pick them up. In the event that you arrive more than 10 minutes late, **a late fee of \$1 per minute will be charged.** Two late pickups from club dismissal will result in the student being **dropped from the club with no refund.**

### Students Leaving Early Procedure

We kindly request that you avoid picking up your child before the end of the school day. Important instruction continues up until dismissal, and early pickups disrupt not only your child's learning but also impact the entire classroom. Please plan appointments before or after school, or on early release Wednesdays. If you need to pick up your students for an appointment, you must inform the office before 2:00pm. More than two early pickups in a month will require a doctor's note. Thank you for your cooperation!

We do not call students out of class before parents arrive on campus. Please give yourself time to find a parking spot, come into the lobby, let us know that you are signing your student out, and give them time to get packed up before they come to the office to meet you.

### Forgotten Items

After school, students are not allowed to re-enter the school after they have been picked up to retrieve forgotten books, lunchboxes, homework, etc. This policy is in place for the safety of students and also to increase the virtue of responsibility in our students.

For the security of our students and faculty, the office staff cannot leave the front office to deliver forgotten lunches, water bottles, or homework and interrupt the classroom learning environment.

While we understand there can be occasional forgotten lunch, we ask all lunches to be delivered by 10:30 am, clearly marked with name, grade and section. Additionally, parents must alert both teachers (lead & assistant) by email that a lunch has been dropped off. If your child has forgotten a water bottle or other materials, please follow the same drop-off guidelines, communicating with your child's teachers via email.

DoorDash, Uber Eats, Grubhub, and similar delivery services are not permitted to deliver for students.

---

## Attendance Policy for Illness

A student should not come to school if any of these symptoms are present in the previous 24 hours:

- Elevated temperature of 100.0 degrees or greater. A student should be fever free for 24 hours *without the use of fever reducing medications* before returning to school.
- Vomiting or diarrhea

Stay Home:

- Frequent and/or productive cough
- Sore throat with swollen glands
- Undiagnosed new or untreated skin rash
- Pus-like discharge from the eyes

Our full illness policy can be found [HERE](#).

## Birthday Book Donations

How do we celebrate student birthdays here at Archway Scottsdale? With a birthday book! Parents may donate a book from [our library's Birthday Book wish list](#) to be read in the classroom. Labeled with your child's name and birthday, this book is added to our school library for all to enjoy. Please be sure to mark your purchase as a gift and put your child's name, class, and birthday in the gift receipt! If you are unsure if we received your birthday book donation, please [email our librarians](#) and they will be happy to answer your questions.

*thank you*

to all of the Archway families who contributed their tax credit to Archway Scottsdale! Your support helps to fund the Archway mission.

Your contribution to the AZ public school tax credit at Archway Scottsdale helps to fund field trips, extracurriculars activities, and bringing outside vendors on campus to enrich the curriculum.

**It costs you nothing to contribute!**
