Dress Code Correction

Student Name: _____ Homeroom: _____

Please help your child to correct the violation checked below.

A distinctive uniform is a unifying factor within the school community. It is an indicator of the unity and pride of purpose. Our school's purpose is student learning, and a uniform helps to keep our focus on learning by removing distractions.

Should uniform violations become a frequent occurrence, further disciplinary action may be required. Some violations may require a parent/guardian to rectify the violation before the student can return to class.
