

A few of my favorite things...

ERIN CHIPMAN

Birthday: 2/2

Color:

Sweet Snack, Candy or Treat: *Nothing bundt cake, chocolate or chocolate chip. Cake donut with white frosting and sprinkles - the kind toddlers like.*

Salty Snack/Treat:

Drink Order: *regular coffee with cream - I'm so boring*

Retail Stores: *Sephora*

Lunch Restaurants: *I'm disappointed in most restaurants, ;) But, I can usually find something at True Food. Let's say True Food again.*

Where I most enjoy going in my spare time: *Home. Ha! I'm so difficult. :)*

Way to be complimented or told I did something well: *Good question. I guess, NOT in person.*

Flower/Plant Type: *This one is easy. I like most plants and flowers. Tulips, orchid, pothos, peonies, and any green, easy-to-care-for plant. Not so much carnations or sunflowers or lilies (maybe saying "most" was an exaggeration). .*

Preferred Monogram: *ELC*

I love these, but I have too many:

***Dietary (allergy) restrictions:** *None; I don't like pork, unless it's disguised as pepperoni. ;*
