

A few of my favorite things...

MR. TREY WELCH

Birthday: 9/16

Color: Navy Blue & Very dark purple

Sweet Snack, Candy or Treat: barebells protein bars

Salty Snack/Treat: an everything bagel with regular cream cheese

Drink Order: I like a nice iced coffee with milk and some kind of sweetener or caramel or chocolate flavor. I also like the strawberry cream frap from Starbucks.

Retail Stores: I hardly ever go out shopping anymore. I don't have time. I buy a lot of my ties at Kohl's, but I have way more than I need. I buy the majority of the things I need through Amazon these days.

Lunch Restaurants: I usually cook at home and don't go out much anymore. Longhorn Steakhouse is nice, and I will occasionally get a burger from Red Robin, Chili's, or Applebee's.

Where I most enjoy going in my spare time: museums, live theater, and the movies

Way to be complimented or told I did something well: A simple note or card is more than sufficient

Flower/Plant Type: I already have way too many plants. It's become my newest hobby/obsession.

Preferred Monogram: TW

I love these, but I have too many: NO. MORE. MUGS!!!!!!

***Dietary (allergy) restrictions:** None
